 Completion of Interest Rate Swap Agreement and Prepayment of Bank Loans**

Nippon Prologis REIT, Inc. (“NPR”) today announced that it will obtain debt financing (the “Borrowing”), has executed an interest rate swap agreement for the Borrowing and will prepay bank loans.

Details are outlined below:

Long-term Borrowing	Syndicate of lenders arranged by Sumitomo Mitsui Banking Corporation and The Bank of Tokyo-Mitsubishi UFJ, Ltd. (Note 1)	11.8 billion Yen	Base interest rate (JBA 1-month Japanese yen TIBOR) +0.30%	March 13, 2018	Borrowing based on individual term loan agreements dated March 9, 2018, with the lenders shown on the left	10 years from borrowing date	Paid in full upon maturity	Unsecured and non-guaranteed

2. The interest rate does not include financing-related costs to be paid to the financial institutions.
3. The first interest payment date is March 30, 2018, and thereafter the interest payment date will be the last day of every month until and including the repayment date. An interest payment date that falls on a non-business day will be moved to the following business day or to the preceding business day if the following business day carries over to the next month.
4. The base interest rate refers to the Japanese yen Tokyo Interbank Offered Rate (“TIBOR”) for one-month deposits announced by the JBA TIBOR Association (General Incorporated Association) two business days before the interest payment date for the immediately preceding interest calculation period. The base interest rate will be revised on each interest payment date. However, if there is no corresponding to the interest calculation period of such deposits, the base interest rate defined in the loan agreements will be applied according to the terms and conditions of the loan agreements.
 Please refer to the JBA TIBOR Association’s website (<http://www.ibatibor.or.jp/english/>) for information about changes in the JBA Japanese yen TIBOR.
5. The repayment date will be the following business day if the date falls on a non-business day, unless such day falls within the following month, in which case the repayment date will be the preceding business day.
6. We may repay the Borrowing either in whole or in part prior to the maturity date if certain requirements, including our advance written notice, are met.

II. Rationale:

The Borrowing will be made in tandem with the receipt of net proceeds from the Offerings. The domestic public offering, the international offering and the over-allotment secondary offering shall be collectively referred to as the “Offerings” (the next business day of the Payment Date of the Offerings)
